

That was our big day when half year ago you was born...!

Our happiness knew no bounds!!!

**You were very expect litter to very long time for us!
To celebrate the completion of six months of your life -we wish you lots
of joy, health, and always smiling faces.**

We miss you very much.

Although you are far away -we send you warm hugs, sweet kisses and

great tenderness.

**Your first human parents-Olga and Artur
and your really parents- Cleo and Tarsius**
